

Mirage Lake Condominium Association

Boat Storage; August 2015

In-Season

April 1st – October 31st

1. During the summer usage season boats, and the associated equipment (paddles, life jackets, etc.), should be stored **neatly** along the shoreline of the property.
2. All pontoon boats must be in the water and docked.

Off-Season

November 1st – March 31st

1. Boats (canoes, kayaks, fishing, pedal boats, etc.) may be stored neatly no more than 20 feet from the backside of the house and not visible from the street.
2. Pontoon boats may be stored on the property during the off-season, but must be stored perpendicular (aka the front of the boat facing the house) to the shore with the end of the boat no more than 6 feet from the shoreline.
